4 November 2016

PRINCIPAL’S NEWS

In Melbourne in particular, but across Australia and in some cases across the globe, we celebrate this week “the Race that Stops a Nation”. We, of course, all enjoy the longer weekend that the Melbourne Cup provides and some of us may have even put a bet on or gone in a sweep but there are some other features of this uniquely Melbourne public holiday. We stop what we are usually doing on the first Tuesday in November and we watch a horse race that lasts a little more than 3 minutes and this commitment to pausing and paying attention is worth thinking about. What if we paused each day for as little as 3 minutes in silence to pray? What if we thought for 3 minutes each day about the “mercy” around us in the world and were thankful for this? What if we acted “in mercy” to a family member, friend, neighbour or stranger for just 3 minutes? What if we asked each other what we learnt today and listened intently for 3 minutes without interrupting? What if …… we did all we could to be the very best we can be as learners?

As the year flies by for students and teachers and no doubt parents, there is much work being undertaken to prepare students for the end of the year as well as to prepare the College for 2017. The very nature of our school, one that seeks to be continuously improving, is that we explore new ways of engaging students in learning and providing new opportunities and possibilities. Following our whole school curriculum review over the past nine months, work has continued on reviewing and renewing structures and programs for next year. Further details about these are outlined later in the newsletter. Following a consultation with students, staff and families, including opportunities to discuss and input into a survey, the structure of the school day in relation to the length of lunch time and the finish time for students change that was made two years ago has overwhelmingly been suggested to be kept as it is. Thanks to all of those who offered their ideas. We will continue to have a 50 minute lunch time break and students will finish school at 3:20pm and the other suggestions for making co-curricular activities more accessible during lunch time and after school will continue to be investigated.

Our Year 12 students have maintained a positive and focused approach to their exams over the past two weeks. They have made excellent use of school resources and we wish all those who are still undertaking exams all the very best - the finish line is now in sight!

Monday 7 November is the rescheduled day for the College Athletics Carnival. All students in Years 7 to 11 are expected to attend this important and fun whole school event.

Thursday 10 November at 7.30pm is the first formal gathering for parents/guardians and students who will undertake Year 7 in 2017. I look forward to once again meeting the next generation of ‘people of mercy’ on this evening.

Friday 11 November will once again see the College community commemorate Remembrance Day. Led by students and supported by teachers, this honouring of those who have paid the ultimate price for freedom and peace is particularly poignant at this time.

The 24th horse in the Melbourne Cup also had a triumph last Tuesday I am sure, a different one to that of the winner, but a story to tell too. In these next few weeks before exams but well on the way to the end of the year, take time to be and to celebrate our shared Mercy values, excellence, hospitality, justice and compassion in our everyday busy lives for at least 3 minutes. We might need to change our usual routines, but we might just see new opportunities if we do.

Best wishes
Dr Michelle Cotter
Principal

DEPUTY PRINCIPAL – MRS JENNI HICKEY

The year of learning and teaching is quickly drawing to a close and end of year events like exams, tests, assignments, folios and projects are upon us all at this time. Being aware of their...
daughter’s learning program, exam schedule or homework and assignment timelines can help parents in providing home support for their daughter, enabling work to be completed while maintaining a balance of family, school and social time.

**Senior School Early Start 2017 Program**

Following the end of year examinations, all Year 10 and 11 students will be required to attend the VCE/VCAL Early Start program on Wednesday 23rd, Thursday 24th, Friday 25th and Monday 28th November (compulsory attendance) where they will obtain information about their 2017 VCE/VCAL program and subjects. This four day program will include three academic sessions for each of the subjects that students will undertake as part of their VCE/VCAL studies in 2017.

Parents are encouraged to talk with their daughters about the focus of each of their sessions and to be aware of the work expected to be completed prior to the 2017 school year. By actively and optimistically engaging with this Early Start Program, the learning for 2017 can already be embarked upon. The Early Start Program will consist of four full school days and will take place in the Senior School West building. Students are required to wear full school uniform. If you have any further queries please do not hesitate to contact the College.

In addition to the Early Start Program, there will be an opportunity for the 2017 Year 11 and 12 students to participate in the Get Smart Program. This program offers support from the Education Support Team and English teachers working with students to complete the holiday learning they have been given in preparation for their SACS in 2017. This will take place in the Information Centre on Tuesday 29th - Wednesday 30th November from 9.00 am - 4.00pm. More details will be available of the type of support offered and times associated with these sessions during the Early Start Program.

The schedule will be distributed to students next Monday.

**Year 10 & Year 11 Exams -**

**Monday 14 November to Friday 18 November**

Semester examinations are an important aspect of our learning programs. They provide students with the opportunity to experience formal examinations of their knowledge and skills in each subject at the end of a semester of work, as well as expose them to the idea of demonstrating learning within a restricted time period. Students and parents need to note the following:

- Following VCAA guidelines, mobile phones or any other electronic devices will not be allowed to be taken into the examinations
- Exam procedures will be the same as the students followed during the Semester One examinations
- Rigorous revision and study is the best preparation
- Full summer school uniform required
- Student (library) card required at all exams for identification purposes
- Exams will be conducted in McAuley Hall unless otherwise specified
- Students should arrive at least 15 minutes before their exam and may leave after their final exam for the day
- Students must remain at school in between exams and will have rooms available in which to study
- Students need to bring subject specific equipment as well as general items e.g. pens, pencil, eraser, clear small water bottle and tissues.

**Professional Learning**

Dr Cotter and I attended the presentation of the Emerging Pedagogical Leaders Final Seminar at the Catholic Leadership Centre to celebrate with both Ms Chiavaroli and Ms Pirani their completion of a two year program working with both the CEM and Monash University. The focus of their work has been on inquiry learning and the implementation of this focus into the Science curriculum at Mercy College.

**DIRECTOR OF MISSION – MS LORETTA KITCH**

**All Saints, All Souls and Halloween**

All Saints’ Day (November 1), which is celebrated globally, is closely tied with All Souls’ Day (November 2), which was first instituted at the monastery in Cluny, France in 993 CE and quickly spread among Christians. In ancient times, All Saints’ Day was also known as All Hallows Tide, All-Hallomas or All Hallows’ Day. These feasts are also closely linked with Halloween which, in actual fact, is just a shortened name for “All Hallows Eve”, or the night before the hallowed day of honouring the Saints.

According to some sources, the idea for All Saints’ Day goes back to the fourth century when the Greek Christians kept a festival on the first Sunday after Pentecost (in late May or early June) in honour of all martyrs and saints. Other sources say that a commemoration of ”All Martyrs” began to be celebrated as early as 270 CE, but no specific month or date is recorded.

Whatever the date when the practice began, Pope Gregory IV made All Saints’ Day an authorized holiday in 837 CE. It is thought that, like many of our significant Christian feasts, the chosen date for the event, November 1, may have been an attempt to supplant pagan festivals that occurred around the same time.

I experienced this mixture of feasts or festivals when I lived in Mexico where November 1 is often referred to as the Día de las Angelitos (Day of the Little Angels) or Día de los Inocentes (Day of the Innocents) and is a day on which infants and children who have passed away are honoured in a special way. The Día de los Muertos (Day of the Dead), on the other hand, is a day for honouring deceased adults. For many decades now these originally Aztec feasts have been celebrated by Catholics in Mexico as a chance to not only recognize loved ones who are no longer with us, but also as a way to unify their indigenous and Christian heritage.

It is certainly interesting to reflect on how, in current times, the feast of All Hallows Eve, or Halloween, seems to have been
claimed by secular groups for other purposes. It does make me stop and wonder if we do not honour the birth of Jesus, if Christmas will not end up in a similar way …

Chaldean Mass

All Chaldean students and their families are welcome to join us in the celebration of mass here in the College Chapel with Fr Maher Gurges on Thursday, November 10 at 12.15 pm. Mass will be followed by a shared lunch in the Community Hub for those who are able to stay.

Year 12 Graduation Mass

Year 12 students and their families gathered in McAuley Hall on the evening of Thursday, October 13 for the graduation celebration. In this the “Year of Mercy”, our graduation mass for the Class of 2016 was celebrated by Fr Justel Callos. It was Fr Justel’s first graduation mass and we are very grateful to him for his presence. The gospel reading for the mass, John 15:9-17, focused on making the most of the gifts we have been given and the greatest commandment: “to love one another”. Fr Justel encouraged the graduates to continue to carry the important message and virtue of “mercy” out into the world.

Our graduates are already well into their exams and many will be finishing in the coming week. We know this is a challenging time for all our Year 12 students and we continue to keep them in our prayers.

Year 8 Reflection Day

On Friday November 4, the whole Year 8 level travelled to Amberley Retreat Centre in Lower Plenty for a day of Reflection. The theme of the day is “When Love Sees You” and it is designed to help the students reflect on God’s unconditional love. Students are challenged to see the dangers in perfectionism and how they are seen through different lenses, but most importantly how they are seen and loved, faults and all, by God. Our thanks to Ms Callery, Ms Kennedy, Ms Monck, Miss Wood and our guest presenters for their efforts in putting together an engaging day for our Year 8 students.

Exam Preparation

The VCAA exams are currently underway. Students in Years 10 and 11 will commence their exams Monday 14 November. Exam success is often not just a reflection of what happens on the day of the exam, but very much about the preparation in the previous days and weeks. Having a good grasp of the content and skills will allow students to generate lists and notes quickly and, in turn, present complete answers that show depth and breadth. Responding to essay questions and short answer questions requires practice. It is also a valuable exercise completing timed practice tests.

Strategies for the exam:

1. Read through the entire exam to plan an overall strategy
2. Look at each exam question to identify key words. The Google Doc below provides an overview of key words that often appear in exams:
3. Think about what kind of writing/response the key word or words call for
4. Make notes to yourself of the points you want to cover in the response
5. Begin the response by echoing the question
6. Leave 10 minutes at the end of the exam to re-read both the questions and responses

Striving for success without hard work is like trying to harvest where you haven’t planted. David Bly

DIRECTOR OF STUDENT WELLBEING – MRS MICHELLE McNAMARA

Looking forward to Year 9 & 10 in 2017

On Wednesday I met with all the girls currently in Year 8 & 9, along with Mrs Perin and Miss Wood, to discuss some exciting things that will be happening in Year 9 & 10 in 2017.

For both year levels, there will be three classes for core subjects and, as previously advised, all electives will be combined classes of Year 9 & 10 students. Nearly every student has been placed into subjects they had chosen as their top six; a small number of students have been placed into one of their reserves as a result of timetable blocking clashes and only four students will need to choose another subject due to multiple clashes.

As of 2017, students in Years 9 & 10 will be placed in Middle Mentor Groups with Miss Zoe Wood taking on the role of Middle School Leader.

Year 9 2017

An exciting change to Year 9 is the development of the program “Melbourne as a Classroom”. This will see Year 9 students spending a week in the city where they will undertake many learning activities specifically designed to engage and

DIRECTOR OF LEARNING – MS VANESSA FOLINO

Booklists

Last week, students received their Campion booklists. The return date is November 18. Booklists need to be returned to the College by this date in order to make the sell date at school. The booklist sell date at school will take place December 13 from 9am until 1pm. It is an expectation that students begin to complete some of the reading for English therefore purchasing the books prior to Christmas is highly recommended. Reading ahead is a worthwhile exercise for all students especially those taking on a Unit 3&4 subject in Year 11. Students currently in Year 11 have had their 2017 programs confirmed and students currently in Years 8 and 9 will have their Middle School Electives confirmed next week.
Year 10 2017

2017 will see all Year 10 students undertaking a Study Skills/Careers program two lessons per cycle so that they are well prepared for the rigor of study in Senior School. They will also have the opportunity to participate in a Peer Tutoring program where they will be trained to support students in the Junior School. During Activities Week, all students will complete work experiences, the Year 10 Mercy College and Parade College Ball will remain in Term 3, and every student will receive individual subject counselling prior to making choices regarding VCE/VCAL in 2018.

Middle School students will also have two lessons per cycle dedicated to improving their mental health and wellbeing. More information will be given about this in a future newsletter.

Please ensure you ask your daughter to share with you the information leaflet they were given and discuss with your daughter the exciting things that will be happening in 2017.

Be Sun Smart

Two in three Australians are diagnosed with skin cancer by the age of 70 and over 2000 people in Australia die from skin cancer every year. The importance of Slip, Slop, Slap, Seek and Slide cannot be underestimated:

- Slip on a shirt - don’t pull your sleeves up and your socks down to expose more skin to the sun
- Slop on some sunscreen - before you leave home then reapply throughout the day
- Slap on a hat - you must have a hat on for PE and sports training; it is highly recommended you wear your school hat to and from school in Terms 1 & 4
- Seek shade - don’t sit in the sun at recess and lunchtime, find a shady spot
- Slide on sunglasses - protect your eyes as well as your skin

Mercy in Action – 2017

A sausage sizzle will be held at the upcoming Athletics Carnival to raise funds for Mercy in Action – Cambodia 2017. Please support this very worthy cause. All money raised will be donated to organisations in Cambodia that help educate children and provide better living conditions for families.

TRIVIA NIGHT for MERCY IN ACTION - CAMBODIA 2017

Planning is well under way for our Mercy in Action immersion to Cambodia in 2017.

We have had a number of fundraising activities throughout the year but now is the time we really need to focus on raising as much money as we can so we can make a real difference to the lives of many women and children in Cambodia.

We will be holding a Trivia Night in support of the immersion on Saturday November 26. The evening starts at 6.30pm in McAuley Hall. Along with the trivia competition, there will be an awesome silent auction where you will have the chance to bid on many items such as:

- Return flights to Sydney
- 3 course dinner for two (including a bottle of wine) at Hilton South Wharf
- Signed Carlton Football Club memorabilia
- Signed Melbourne Victory memorabilia

As well as the silent auction, we will have many other opportunities for you to win some amazing prizes. Local businesses and restaurants have been very generous and have donated goods and services that you will no doubt be very pleased to win. Raffles, lucky envelopes, games - all of these will give you the opportunity to win some amazing prizes.

Tickets are $10 - so make up a table of 8 and join us for a fun night so we can raise lots of money to take with us to help some of the poorest people in Cambodia. Please call the College on 9319 9299 to secure your place at the Trivia Night.
Homelessness: Finding a Merciful Response

“We were given the incredible opportunity to attend the 2016 Seeds of Justice Camp, held in Templestowe. We came together with students from Mercy schools all over Victoria to explore the issue of homelessness and to try to find a merciful response. Positive relationships were formed with like-minded people as we were able to share our thoughts and opinions on the issue. We were privileged enough to listen to some inspiring people from organisations such as Anonymous X and the Exodus Community. These organisations work directly with the homeless to make a difference in their lives and to inspire others to take action. Not only was the program one to never forget, but the outstanding views and great food also made our stay a pleasurable one. It was an eye-opening experience that motivated us to make a change. We would like to especially thank Miss Coughlan for sacrificing her time to attend the camp with us and also to all the teachers who helped make it possible.”

YEAR 8 INDEPENDENT LEARNING FORTNIGHT

- “What makes a confident horse rider?”
- “Why are some Aboriginal communities being shut down and what are the impacts?”
- “How and why have clothing styles changed throughout the years?”
- “Why should members of the LGBTIQ+ community have the right to be themselves and marry whoever they love?”
- “How does the reading experience enhance your life?”

These are just some of the big questions that the Year 8s chose to explore during Independent Learning Fortnight!

Preparation for the program began in LETT classes, with students exploring creativity, digital citizenship, and their passions. Beginning 17 October, students swapped their regular classes for the opportunity to focus intently on this program. Through a guided inquiry process using a number of thinking tools, students each developed a big question to explore. This big question was related to their passions and was a question that involved rigorous research to determine the best possible answer/s. After research was undertaken, students were guided and encouraged to create an end product that best displayed their results. This end product was displayed during the afternoon showcase on Friday 28 October.

The Year 8s are to be congratulated on their hard work throughout the program. Our Mercy College value of excellence was certainly evident in their work.

Ms Moore, Ms Walker, Ms Polastri (Year 8 LETT teachers) and Ms Girolami (Teacher Librarian)
YABBA AWARDS CEREMONY 2016

“On Wednesday 26 October, sixteen (16) students from Year 7 got the opportunity to go to the YABBA awards (Young Australians Best Book Awards) at St Thomas More’s Primary School, Hadfield. At the awards, we got to see many different authors and illustrators. We also saw different activities performed by the St Thomas More children and a few of the illustrators. Included was a fashion show by the students and a song sung by the school choir. The books that won a YABBA award were: Soon by Morris Gleitzman, The 65-Storey Treehouse by Andy Griffiths & Terry Denton, Pig the Fibber and The Bad Guys by Aaron Blabey. After the ceremony we all got some time to get autographs and signatures from our favourite authors/illustrators.

Thank you to Dr Cotter and Ms Girolami for taking us to the YABBA Ceremony.”

“I had a fun time at the YABBA Awards ceremony where I got to see many authors. I was so excited when I got to meet Andy Griffiths and Terry Denton and get their autographs.”

Isabella Fittipaldi 7B

“At the YABBA awards 2016, many students from schools all around got to go and enjoy seeing the YABBA book awards and luckily I got selected to go. The whole day was very fun and interesting, including the opening ceremony and at the end when we got our books signed. A highlight for me would have to be when some illustrators came up and turned some average lines into really great pictures and then we even got to meet them later on! Overall it was a really great day! The YABBA Awards ceremony was a great place to see and learn about some of my favourite authors, get their signatures and talk to them.”

Ru Dassanayaka 7C

“The YABBA award was an amazing chance for students to meet authors and discover more about reading. It was an amazing day and I had so much fun meeting authors like Sally Rippin.”

Olivia Rizza 7A

“I had an amazing time at the YABBA Awards. It was fun to see all the authors and illustrators at the Awards and it was fun also to meet different authors/illustrators. It was an amazing day and I am so grateful I got the chance to go.”

Sayo Durojaye 7C

WOMEN’S LEAGUE SOCCER

The Women’s League Soccer competition commences this weekend. On Sunday 6 November Melbourne Victory take on Adelaide United in the first round of the season at Coopers Stadium in Adelaide. The game will be televised on the ABC at 2.00pm and Melbourne Victory will feature our very own Adriana and Melissa Taranto. This game makes for compulsory viewing; don’t miss this opportunity to see our girls begin their new season.

Adriana Taranto Melissa Taranto

PRAYER

Prayer for All Saints Day – November 1

Dear God, thank you for the example of the Saints. I desire to join in their company, worshipping you forever in Heaven.
Please help me follow their footsteps, and yours, Jesus Christ.
Please help me to conform myself to Your image, seeking Your will in all things, as the Saints did.
Please help me to devote myself, and all that I do, to Your glory, and to the service of my neighbours.
Amen.

Prayer for All Souls Day – November 2

Eternal Father, I offer You the most precious blood of Your divine Son, Jesus, in union with the masses said throughout the world today, for all the holy souls in purgatory, for sinners
everywhere, for sinners in the universal church, those in my own home and within my family.

Amen.

**REFLECTION**

They have gone no further from us than to God, and God is very near. Anonymous
